#### Kennel Club Regulations F12 – Dog Fouling & Grooming Waste

- A Any owner, Exhibitor or handler or other person in charge of a dog is required to remove immediately any fouling caused by their dog(s) and/or any grooming waste at any Kennel Club licensed venue and within the environs of that event including car and caravan parks and approaches.
- B. Any organisation holding a Kennel Club licensed event is required to provide an adequate number of receptacles for the disposal of such fouling waste.
- C. The Chalking, Powdering or Spraying (with the exception of water) of exhibits within the precincts of the Show is forbidden.

#### Note for Exhibitors

Each exhibitor is responsible for providing their own crate or cage identification and should note that the original exhibit/bench number card, as provided by the Show Society, must not be used for this purpose.

#### N.B. Exhibitors of Puppies

Puppies are not eligible to enter AVNSC classes if their breed is scheduled – if there is no puppy class in your scheduled breed you can enter in any breed class, the puppies will then be eligible to compete for Best Puppy in Breed if they are unbeaten by another puppy in their breed.  
Alternatively, puppies with breed classes but no puppy breed classes may be entered in AV Puppy and, if unbeaten by another puppy, can compete for Best Puppy in Group.  
Puppies of breeds not scheduled at this show can enter any of the AVNSC classes in their Group and, if unbeaten by another puppy, can compete for AVNSC Puppy in their Group.

#### SOFT CRATES

The Kennel Club has drawn attention to the potential health and safety implications concerning the use of soft crates at shows as in its view, they do not offer sufficient protection to dogs. Soft crates left unattended at the ringside are a potential hazard particularly when occupied by large breeds, and it has been known for dogs to become distressed and move soft crates along the floor and also escape. Soft crates should only be used when there is sufficient room available and when they can be safely secured.

#### MOBILE PHONES:

Ringside spectators are requested to have their mobile phones switched off during judging, in due consideration for the dogs and handlers.

**YOUR DOG IS VULNERABLE AND AT RISK IF LEFT IN A VEHICLE IN HIGH TEMPERATURES, AND EVEN ON DAYS CONSIDERED AS SLIGHTLY WARM.**

**PLEASE TAKE CARE OF YOUR DOG.  
IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

The Officers & Committee do not accept responsibility for any products advertised or sold by Stall Holders and/or Trade Stands at this Show. Exhibitors are reminded that products on sale by Stall Holders or Trade Stands for the preparation and grooming of dogs may not meet the requirements of the above regulations.
